

# 2020 Harry B. Mathews, Jr Scholarship Recipient: Nathan Whitney

## About the Harry B Mathews, Jr Scholarship

Each year, HBM Holdings offers five (5) four-year scholarships to be applied toward attending an accredited four-year institution and three (3) two-year scholarships to be applied toward an accredited Junior College or Vocational-Technical Institute.

The maximum financial aid provided by a four-year scholarship is \$5,000 annually or \$2,500 per semester. The maximum financial aid provided by a two-year scholarship is \$2,500 annually or \$1,250 per semester.

Each scholarship is awarded to a qualified child of a full-time employee of all HBM Holdings companies. All eligible scholarship candidates must submit an application, transcripts, resume, letters of recommendation and an essay. A committee then chooses the winners for the year.

One of the winners from the 2020 Harry B. Mathews, Jr Scholarships was the son of a Schafer Driveline employee. Nathan Whitney, son of Tim and Rebekah Whitney, was chosen for one of the four-year scholarships. Tim Whitney has been with Schafer Driveline for two years and works in the Engineering department as a Manufacturing Engineer.

Nathan is a graduate from East Knox High School, where he was involved in Cross Country, Track and Field, Basketball, National Honor Society, and 4-H. Nathan is now attending Mount Vernon Nazarene University. He has recently completed his first year at MVNU and is majoring in Engineering. He plans to have a career in Engineering in the future. In his free time, he is an active member of his church, and he enjoys kayaking, sports and cars.

This scholarship is a huge accomplishment for Nathan, and Schafer Industries commends him on this achievement.

**Congratulations, Nathan on your  
accomplishment!**

**Schafer Industries wishes you every  
success in your future endeavors.**
